Polocrosse Morning Session

Sunday 25th February 2018

10.00 start

Pony Club members, would you like to have a try at Polocrosse? This sport is growing in popularity and the Pony Club & Fletchers Farm Riding School have combined to offer our members a demo of this sport and a chance to try it out on our ponies. This is a great opportunity to try something new and gain your Intro to Polocrosse badge. Places will be limited to 12 riders so please book early, however you would still be welcome to come over and watch if you do not secure a ridden place.

The session will involve coaching in dismounted racquet and ball skills, introducing the horse to the equipment and horse skills. Suitable for riders aged 7 years and above and who can ride unassisted with the reins in one hand.

Riders will be divided into groups of similar abilities in the group.

For more information on the sport please see: www.pcareas8polocrosse.com

Price: £25 FFRS Pony Club Members (membership must be current)

To book please call on 01206 242210 or pop into the office.
